RE: LETTER OF RECOMMENDATION, ICON CONSTRUCTION INC.

On behalf of the team here at Home Depot of Canada Inc., it is with great pleasure that we write this letter of recommendation for Icon Constructors Inc.

We have been doing business with them since their inception. They have been involved in many of our merchandising roll out initiatives as well as the supply and installation of millwork for our new stores.

The quality of their end product along with the level of service that they provide has met all our expectations.

We will continue to do business with them based on this success and we highly recommend them to other potential clients, such as yourselves.

Should you wish to further discuss any of the above information, please do not hesitate to contact me.

Sincerely,
HOME DEPOT OF CANADA INC.
